

VISTA IP NETWORKED MONITOR

AN IP MONITOR FOR THE IP WORLD

Vista's new IP monitors can remotely display images on an IP system without the need of a PC or client software.

Until now, IP systems have required a conventional monitor and decoder to be used, which only provided D1 resolution images. The new 24" and 32" IP networked monitors from Vista have an in-built hardware decoder and can display high-definition, 1080p video from a single stream or four D1 streams from separate cameras in quad format.

Focused on the user experience, they are extremely simple to set up via a mouse-driven GUI. Because they're based on ONVIF, they decode streams from 3rd party cameras - providing the user with the greatest flexibility possible.

Key Features:

No PC required

For either set-up or operation

Simple set up

Set up via mouse-driven GUI

Higher resolution

Displays up to 1080p images

Display options

Single camera or sequence of full screen 1080p images with option for quad in D1 format

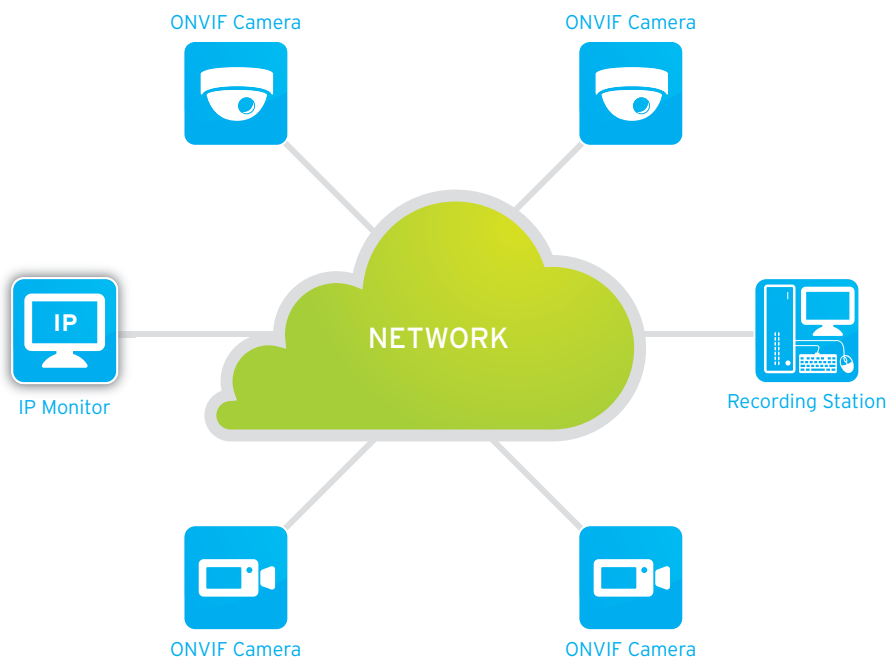

ONVIF compliant

Displays images from all ONVIF compliant cameras

0703480
VFS24HDIP
24" full HD IP decoder monitor

0704010
VFS32HDIP
32" full HD IP decoder monitor

TECHNICAL SPECIFICATION

	VFS24HDIP	VFS32HDIP
Ethernet input	1 x RJ45 10/100	
Display options	Full Screen, sequence and Quad	
Full screen display resolution	Full HD 1920x1080p	
Sequence display resolution	Full HD 1920x1080p	
Quad screen display resolution	D1 resolution per camera	
Set up interface	Mouse driven OSD menu structure	
Panel size	24"	32"
Viewable area (HxVmm)	532x299	698x393
Screen format	16:9	
Max resolution	1920x1080	
Display colours	16.7M	
Brightness	250nit	350nit
Contrast ratio	1000:1	3000:1
Response time	5m	
Viewing angle	80 / 80 / 85 / 85	
Casing material	Aluminium	
Desk stand included	Yes	
Mounting option	Vesa mount 100x100	
Power supply	12VDC	
Power consumption	26W	58W
Operating temperature	0°C - 50°C	
Net dimensions (WxHxDmm)	588x356x57	762x455x75
Boxed dimensions (WxHxDmm)	645x492x173	830x520x192
Net weight	5.8Kg	13Kg
Gross weight	8.8Kg	16.5Kg
Approvals	CE RoHS2: 2011/65/EU
